KRISHNAPATNAM PORT

India's Largest Container Terminal on the Horizon

presents

**KARNATAKA 2016**  
**LOGISTICS**  
**SUMMIT**

Where shippers and  
service providers meet

JOIN 200+ C LEVEL INDUSTRY LEADERS FROM PORTS, SHIPPING AND LOGISTICS

Dear Colleague,

Conferences are great opportunities to meet and connect with people who are dealing with similar issues in their businesses.

**Maritime Gateway**, the leading shipping and logistics business magazine, has been organizing such useful platforms for the benefit of trade for the last 9 years.

It gives us immense pleasure to host the first edition of **Karnataka Logistics Summit 2016** in **Bengaluru** on **5th October**. On behalf of Maritime Gateway, we extend a warm and cordial invitation.

The main goals are to:

- Understand and debate on the issues related to movement of EXIM cargo and transportation in this region.
- Identify the gap areas in supply chain and logistics.
- Support the industry and government to prepare a roadmap for seamless & cost effective movement of cargo.

We welcome everyone who is interested in moving cargo from in and out of Karnataka region. **Karnataka Logistics Summit 2016** presents a great value and an excellent opportunity to meet industry experts and learn about the market.

Join us in Bengaluru as we look forward to see you there!

Warm Regards,

**Ramprasad Ravi**  
Editor-in-Chief & Publisher

## SMART LOGISTICS FOR SMART STATE

Karnataka is one of the high economic growth states in India with a targeted 12% industrial growth in the next few years. It has vibrant automobile, agro, aerospace, textile & garment, biotech and heavy engineering industries. The state has sector-specific SEZs for key industries such as IT, biotechnology, engineering, food processing and aerospace.

The New Industrial Policy lays emphasis on providing good infrastructure support for promotion of industries. It has proposed to form at least five industrial areas. The policy encourages private investment in establishing industrial areas and estates.

Karnataka is home to many big manufacturing companies like Kirloskar, ABB, Larsen & Toubro, Jindal, Kalyani Group, TATA Motors, TVS, Toyota, Scania, Volvo etc.

In this backdrop, the first edition of **Karnataka Logistics Summit** will provide insights into the growth of hinterland, EXIM cargo and the logistics infrastructure.
